STATE OF MINNESOTA DEPARTMENT OF TRANSPORTATION
NEW TURFGRASS VARIETY PRELIMINARY INFORMATION FORM
Turf Establishment Products

Vendor Information

Date: _____

Company Name: _____

Phone Number: _____

Street Address: _____

E-Mail Address: _____

Variety Name (Cultivar or Selection) and Origin: _____

Species: _____

Intended Seed Mix(es): _____

Attach cultivar data for recent breeding trials (Prefer data from local breeding trials): The top priority characteristics include: Drought Resistance, Salt Tolerance, Growth Vigor, Fungal Resistance Ratings, Heat Tolerance, Frost Kill/Winter Kill, Shade Tolerance, Seasonal Percent Ground Cover, Color Ratings and Turf Grass Quality Ratings. Priority is given to breeding trials performed in Minnesota or similar climates and on trials performed on roadside or low maintenance conditions. (Ratings above 6.0 on the 1-9 scale are preferred for MnDOT projects)

Submit requests for variety approvals by December 31 for approval by March 1. Variety approval requests outside of this approval window require a 90 day processing timeframe.

Completed application forms and accompanying information are to be e-mailed to:

MnDOT Environmental Stewardship Office
395 John Ireland Blvd
St. Paul, MN 55155
